Portable Insulation Fault Locator ISOM FP-60  
4725 0230

Optional :  
Portable sensor  
ISOM P-120  
4794 1120

Portable sensor  
ISOM P-20  
4794 1020

Portable sensor  
ISOM P-52  
4794 1052

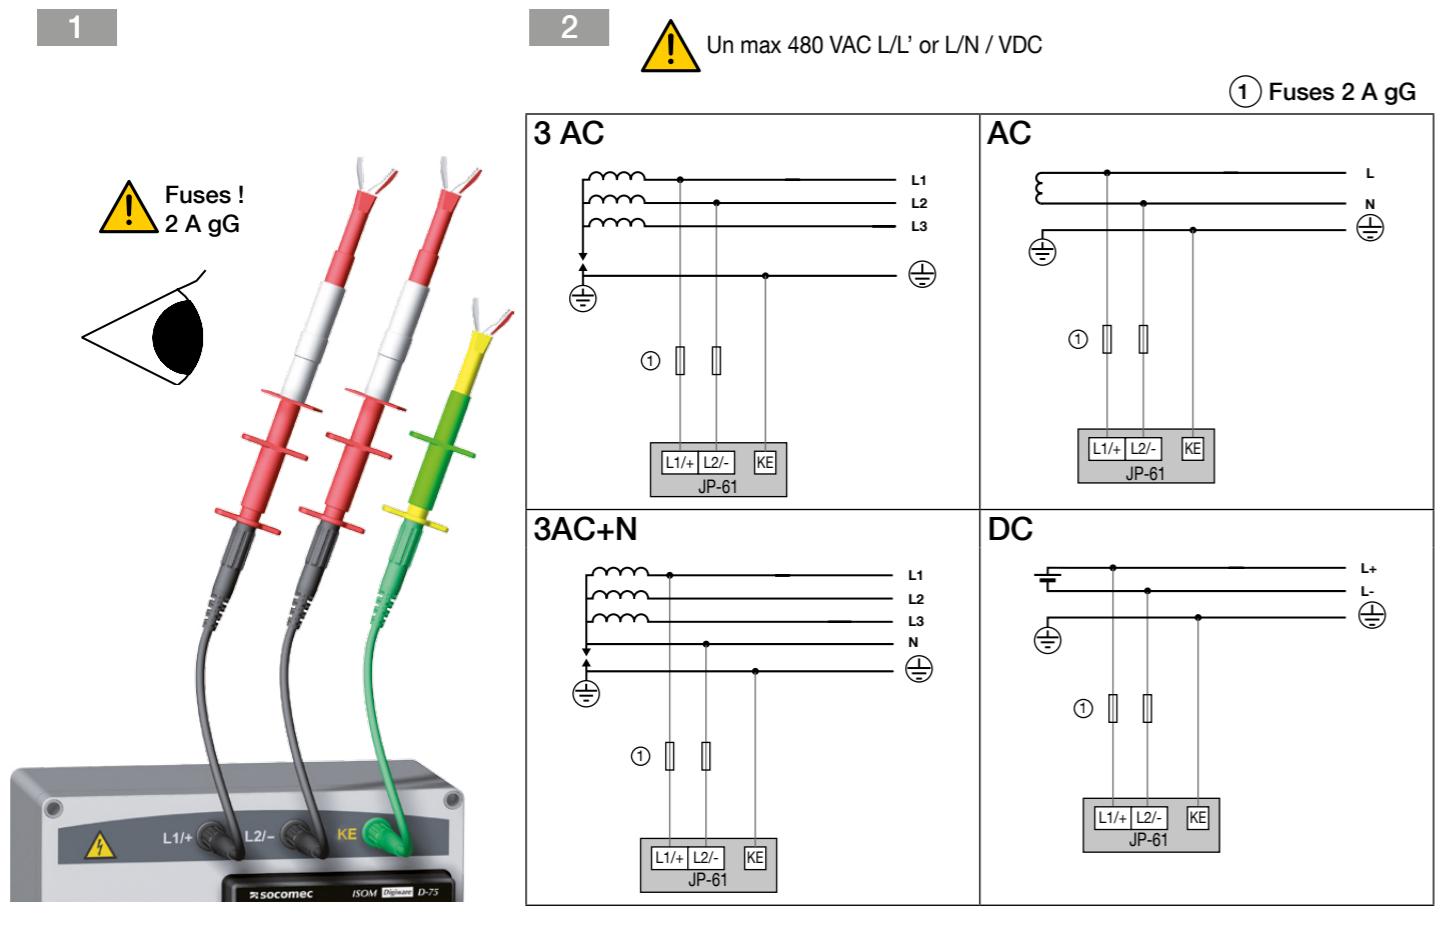

### Technical characteristics:

- Overvoltage category III
- pollution degree 2
- altitude  $\leq 2000\text{m}$
- temperature -10 to +70°C

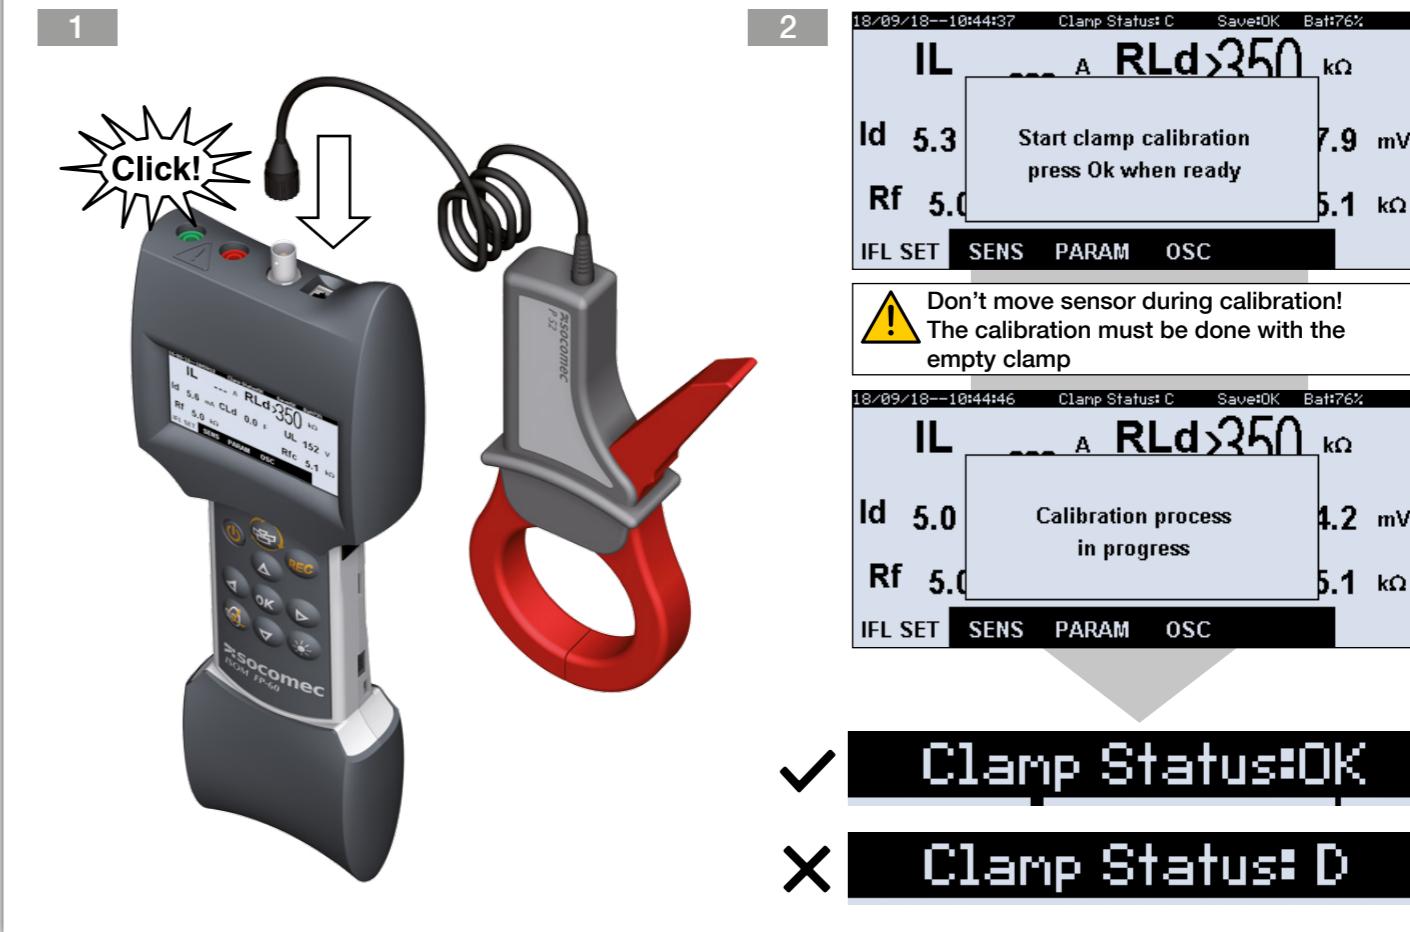

Disconnect existing IMD and LCI before operation  
Handle FP-60 with protection bumpers
